6. Journal documents revision

All journal documents were reviewed during the year. New GDPR policy has been implemented in agreement with European Union legislation. It is not necessary to update documents.

7. Journal sustainable development

Further journal development is related to:

- Journal indexation in Thomson Reuters Web of Science.
- Funds from sponsors.
- Implementation of new version of PKP Open Journal System or other software.

Most of authors stated in the questionnaire from 2018, that they have an interest to publish their work in the journals indexed in Current content connect or Web of science.

8. Other

The major sponsor of the journal is HACCP Consulting and small advertisers. Our annual advertising revenue in 2018 was sufficient to cover the journal costs. For further development we need to extra money.
